REPORT NARRATIVE

SYNOPSIS:

On 05/12/17, a traffic enforcement stop was conducted on Erik Jauregui, the driver of a black Infiniti i35 (CA (b)(5)(A)) for a violation of VC 21461(a). During the traffic stop, it was discovered Jauregui's sole passenger, (b)(5)(B) had a valid 4th Waiver. When Jauregui learned his vehicle would be searched due to this 4th Waiver, he fled on foot from the scene and a perimeter was established around the area. With the help of the Sheriff's K9 Unit and Sheriff's Helicopter, Jauregui was found and arrested.

In Jauregui's vehicle, Deputies found a loaded Sig Sauer handgun and approximately 111.2 grams of a white crystalline substance which tested presumptively positive as methamphetamine, along with two digital scales. Jauregui was also found to be in possession of a glass pipe with a bulbous tip which is commonly used to smoke methamphetamine and \$232.00. A records check of Jauregui revealed a history of (b)(5)(C) and that he was a felon (b)(5)(C) .

Due to the evidence on scene and Jauregui's criminal history, he was arrested for 11370.1(a) HS, 11378 HS, 25400(c)(1) PC, 11364 HS, 148(a)(1) PC, with enhancements for 11370.2(c) HS, 12022(a) PC, 12022(c) pc, 667.5(a) PC, and 667(e)(1) PC.

ORIGIN:

On 05/12/17, at about hours, I was in full Sheriff's uniform and driving a marked Sheriff's patrol vehicle when I conducted a traffic enforcement stop on a black Infiniti i35 (CA) on Fanita Dr just south of State Route 52 in the City of Santee (CAD # E4148678).

BACKGROUND:

Erik Jauregui has an extensive (b)(5)(C) (b)(5)(C) related crimes. See attached criminal history for further details.

INVESTIGATION:

While driving westbound on Prospect Ave, I approached the Fanita Dr intersection when I noticed a black Infiniti i35 (CA (b)(5)(C)) in the right turn lane preparing to turn north onto Fanita Dr. At this intersection, there is a posted "No Turn on Red" sign posted prohibiting drivers from turning north on Fanita Dr from Prospect Ave. I noticed the driver of the Infiniti, later identified as Erik Jauregui, begin to slowly move forward over the limit line at the intersection, then, while the traffic light was still red, Jauregui turned north onto Fanita Dr which, given the posted sign, is a violation of VC 21461(a).

I followed Jauregui and activated my overhead lights, initiating a traffic enforcement stop. Jauregui yielded on Fanita Dr approximately two hundred feet north of Prospect Ave. I walked up to the Infiniti and saw that in addition to Jauregui, there was also a female passenger sitting in the front passenger seat, who was later identified as (b)(5)(B) . I asked Jauregui for his license, registration, and proof of insurance and he told me he didn't have any of the requested documents. I obtained Jauregui's and (b)(5)(B) information verbally as neither one had identification cards, though Jauregui showed me a credit card bearing his name, and (b)(5)(B) showed me a Casino Player's Club card with her name on it. I asked Jauregui and (b)(5)(B) if either were on probation or parole or if either were 4th Waivers and they both said, "No."

Deputy Steadman arrived to assist, and he remained near the Infiniti while I returned to my patrol vehicle to perform a records check on Jauregui and (b)(5)(B) . During the records check, Sheriff's Dispatch

informed me that Jauregui had no wants or warrants and did not have a valid 4th waiver. Sheriff's Dispatch also told me (b)(5)(B) had no wants or warrants, but had a valid 4th waiver which expires in December of 2019.

I returned to the vehicle, walking up to the passenger side to speak with (b)(5)(B). I told (b)(5)(B) that she did indeed have a valid 4th waiver and that I would be searching her and the cab of the vehicle she would have access to. This information seemed to upset Jauregui, as he said, "What? You really have to do that?" I told Jauregui yes. At this time I noticed Jauregui quickly open the driver side door and exit the vehicle. I told Jauregui to, "Stay in the car!" Jauregui began running away from the vehicle and I yelled, "Stop!" Jauregui ran northwest across Fanita Dr away from me.

I ran around to the driver's side of the Infiniti and had to pause as I noticed traffic approaching. The approaching vehicles stopped and I began pursuing Jauregui, who had run toward a housing community on the west side of Fanita Dr. This housing community consists of two streets, Glen Vista Way and Glen Oaks Way. Glen Vista Way is accessed on the west side of Fanita Dr before curving toward the southwest toward Prospect Ave. Glen Oaks Way intersects Glen Vista Way at two points, first at the northern half of the community and running southeast before turning to the west and intersecting Glen Vista Way again near the southwest portion of the community.

I saw Jauregui running onto Glen Vista Way and I followed. At the northern intersection of Glen Vista Way/Glen Oaks Way, Jauregui continued southwest on Glen Vista Way. A resident of the area who was on the street, later identified as (b)(5)(B), watch Jauregui run by and saw me pursuing. As Jauregui approached the southwest intersection of Glen Vista Way/Glen Oaks Way, he turned east. (b)(5)(B) told me that if I turned east at the pool and turned south on Glen Oaks Way, I may be able to cut Jauregui off. As I ran south on Glen Oaks Way, I did not see Jauregui appear at the end of the street. I continued around Glen Oaks Way toward the southern intersection with Glen Vista Way and did not see Jauregui. (b)(5)(B) appeared and told me he did not see Jauregui double back, nor did he see Jauregui exit the housing community on the southwest corner at Prospect Ave.

I determined that Jauregui was most likely hiding nearby and I requested Sheriff's Helicopter (ASTREA) and a Sheriff's K9 Deputy to respond to assist in locating Jauregui. Additional Deputies began arriving in the area and a perimeter was set up around the housing community. Deputy Steadman, who was still with (b)(5)(B) and the Infiniti, broadcasted that he had found a loaded pistol inside the Infiniti and that (b)(5)(B) had told him Jauregui had two strikes against him, which is why he most likely ran.

ASTREA arrived on scene and began broadcasting a description of Jauregui to the neighborhood using their public-address (PA) system. Sheriff's K9 Deputies Feistel and Justice arrived and ASTREA began using their PA system to broadcast K9 announcements directed at Jauregui, which I heard clearly.

Deputies began a methodical search of the housing community beginning at the intersection of Fanita Dr and Glen Vista Way where a pair of glasses were located that may have belonged to Jauregui. As Deputies were searching the backyard of (b)(5)(B) Glen Oaks Way, ASTREA told us they were able to see a

person lying down in a field directly behind that address. This field is located at the corner of Fanita Dr and Prospect Ave and runs along the rear of the houses on the south end of the housing community being searched.

Deputy Justice climbed over the fence with his K9 partner, who was ultimately deployed on Jauregui. For additional information see Deputy Justice's Deputy's Report. Jauregui was detained and handcuffed. During a search of Jauregui's person, I found a glass pipe with a bulbous tip located in the front right pocket of his shorts. In my training and experience, I recognized this device as a pipe commonly used for smoking methamphetamine. I also found Jauregui to be in possession of a small baggie of a green leafy substance and \$232 (\$20x10, \$10x3, \$1x2). Jauregui's cell phone was found near him on the ground, which I retrieved. Nothing else of evidentiary value was found on Jauregui's person.

I assisted Jauregui in walking to Prospect Ave to awaiting Paramedics. While waiting for Paramedics, Jauregui spontaneously stated, "Everything in the car is mine." Santee Medic 5 and Engine 5 arrived on scene to evaluate Jauregui and decided to transport him to Sharp Memorial Hospital for medical treatment. Deputy Lopez accompanied Jauregui in the ambulance and Deputy Justice followed them to the hospital.

I returned to the original scene of the traffic enforcement stop and met with Deputy Steadman. Deputy Steadman began a complete inventory of Jauregui's vehicle. In the vehicle in addition to the loaded handgun, Deputy Steadman also found a large zip lock bag filled with a white crystalline substance that, through my training and experience, I recognized as methamphetamine, along with two digital scales. Deputy Steadman showed me where he had found the loaded handgun, which was on the floorboard behind the passenger seat within easy reach and access of Jauregui. Deputy Steadman also took photos of the vehicle and its interior and for additional information see Deputy Steadman's Deputy's Report.

I spoke with (b)(5)(B) I read (b)(5)(B) her Miranda Rights verbatim as printed on my department issued Deputy's Notebook. (b)(5)(B) replied that, "Yes," she understood her rights, and "Yes," she was willing to speak with me further. I obtained the following statement from (b)(5)(B)

STATEMENTS:

Statement of (b)(5)(B) (Witness):

Jauregui picked (b)(5)(B) up this afternoon around 1530 hours. Jauregui wanted to come into Santee to visit a friend of his who lives near the GTM, but (b)(5)(B) doesn't know this friend's name or where he lives exactly. (b)(5)(B) doesn't know anything about the handgun or the methamphetamine located in the vehicle.

I evaluated (b)(5)(B) for being under the influence of a controlled substance, but she did not display adequate signs and symptoms of such. A thorough search of (b)(5)(B) possessions revealed nothing of evidentiary value. I took photos of (b)(5)(B) and allowed her to leave the area.

I examined the handgun Deputy Steadman found in Jauregui's Infiniti. I saw that it was a Sig Sauer SP2022 .40 caliber pistol (Serial (b)(5)(B)) with an ammunition magazine inserted into the handgun. Deputy Steadman also found another magazine in the nylon gun carrier the pistol was found in. I ejected the magazine from the handgun and saw that it contained ammunition. An inspection of the handgun revealed that it did not have a round in the chamber.

While Deputy Steadman remained with the Infiniti to await the tow truck, I returned to Santee Station with the evidence we had obtained. At Santee Station, I first inspected the magazine that was found inserted into the handgun and discovered it contained 10 rounds of .40 caliber ammunition. I next inspected the second magazine found in the nylon gun carrier and discovered it contained 5 rounds of .40 caliber ammunition.

I tested the baggie containing the green leafy substance and it tested presumptively positive for marijuana and weighed approximately .5 grams. I tested the white crystalline substance in the large zip lock bag and it tested presumptively positive for methamphetamine. I weighed the bag of white crystalline substance for a result of 111.2 grams. I took additional photos of the evidence we had obtained.

A records check of the handgun revealed that it had not been reported as stolen, but belonged to a (b)(5)(B) (DOB (b)(5)(A)) living at (b)(5)(A). The handgun was purchased on 01/19/13 from Past and Present Collectibles located at (b)(5)(A)

Due to the large amount of methamphetamine in Jauregui's possession, along with the two digital scales and \$232 in currency, I charged Jauregui with 11378 HS (Possession of a Controlled Substance for Sale). A records check revealed Jauregui to be (b)(5)(C) (b)(5)(C). I also charged Jauregui with 11370.1(a) HS (Possession of a Controlled Substance while Armed with a Loaded Firearm), 25400(c)(1) PC (Carry Concealed Weapon in a Vehicle with Prior Conviction), 11364 HS (Possess Drug Paraphernalia), and 148(a)(1) PC (Obstruct/Resist a Peace Officer).

Because Jauregui was armed with a firearm in the commission of a felony, charges of 12022(a) PC and 12022(c) PC were added.

A criminal history check of Jauregui revealed (b)(5)(C)
(b)(5)(C) were added.

Use of Force Supplemental Instructions

Lines 1 & 3: Fill in the blanks.

Line 2: If the suspect was committing a crime and force was used to stop or apprehend the subject, document the appropriate penal code. If the UOF occurred in the performance of the officer's duties, document the incident description, i.e. officer transport, officer escort, making arrest, detaining suspect, cell extraction etc.

Primary Reason for Using Force: Check appropriate box(s).

Subject Appeared To Be: Check if applicable.

Number of Officers on Scene: List number of officers present.

Number of Officers Using Force: List number of officers that used force.

Level(s) of Resistance Encountered: Check appropriate box(s).

L.E. Tool/Technique Used: Check appropriate box(s). If known and/or applicable, include duration (approximate length of time) tool/technique was used. If known and/or applicable, include the number of contacts (approximate number of strikes, impacts, etc.) when requested on form.

Was Initial Use of Force Effective? If initial force used was effective, check "Yes." If initial force used was ineffective and additional force was necessary, check "No."

Was Additional Control or Force Needed: If initial force used was ineffective and additional force was necessary, check "Yes." If initial force used was effective, check "No."

Target Distance: If applicable (refers primarily to less lethal weapon systems), approximate distance or provide range (i.e. 7-15 feet, 15-20 yards, etc.) from subject during application of force.

Subject Injured: Check "Yes" if medically treated for injury sustained as a possible result of force applied by a officer(s) – does not include previous injuries suffered prior to officer contact. Check "No" if subject was not injured or simply complains of injury/pain suffered as a result of force applied by an officer(s) and refuses medical attention. Any complaints of pain shall be documented in the use of force report narrative (whenever any physical force used by a officer results in a complaint of injury or an injury that necessitates medical treatment of a subject, a supervisor will be notified immediately).

Extent of Treatment: Check appropriate box. Check none if subject was evaluated and no treatment was required. Specifically, check "Treated at Scene" if subject was treated at scene by EMS for injuries that may have resulted due to force applied by officer(s). Check "Treated at Hospital" if subject was transported to hospital for treatment of injuries that may have been sustained as an apparent result of force applied by officer(s). Check "Hospitalized" if subject was admitted to the Hospital as a result of injuries that were sustained as a result of force applied by officer(s).

Officer Injured: Check appropriate box (see above).

Extent of Treatment: Check appropriate box. Check none if officer was evaluated and no treatment was required. Specifically, check "Treated at Scene" if officer was treated at scene by EMS for injuries. Check "Treated at Hospital" if officer was transported to hospital for treatment of injuries. Check "Hospitalized" if officer was admitted to the Hospital as a result of injuries.

Other Force Used/Comments/Equipment Performance: This section can be used to document other force options not listed on the form; relevant comments about the incident such as complaints of pain/injury (room permitting) and negative/positive comments regarding equipment performance.

Mark Figure to Indicate Contact Points: When applicable, mark the areas on the figure where applied force contacted the subject's body.

Sergeant: Sign, list ARJIS number and date reviewed.

Lieutenant: Sign, list ARJIS number and date reviewed.

REPORT NARRATIVE

ORIGIN:

On 5/12/17 at approximately at about 1915 hours, I was dispatched to assist deputies with the Santee Station who were in a foot pursuit of a suspect who fled on foot from a traffic stop at Fanita Drive and Highway 52 (CAD # E4148678).

INVESTIGATION:

Prior to my arrival, deputies had established a perimeter around the housing complex located at Fanita Drive and Prospect Avenue. This is the complex where the suspect was seen running into. While establishing a perimeter, Deputies were able to identify the suspect as Erik Jauregui (b)(5)(A). During a search of the vehicle Jauregui fled from, deputies located a loaded gun inside the car. Jauregui has an extensive criminal history with (b)(5)(C) related violations. Jauregui has served time in prison as well as county jail for these violations. Deputies on scene located a pair of sunglasses Jauregui was wearing when he fled on foot. Santee deputies requested a tracking canine to respond. Before I arrived on scene A.S.T.R.E.A made multiple public address (P.A.) announcements advising Jauregui to come out or he would be bit by a Sheriff's Canine.

At about 1925 hours, I arrived on scene. I was briefed by Deputy Joslin, the pursuing deputy, on Jauregui's physical description and that he was wanted for being a felon in possession of a firearm and multiple narcotics violations. Based on Jauregui's violent criminal history, he was armed during the initial traffic stop, and the possibility of him still being armed with a weapon, I decided it would be safer for all deputies and the public to use my canine partner "Stag" to track Jauregui.

At 1929 hours, Deputy Joslin, Deputy Cochran and I began a track with my canine partner Stag from the sunglasses located by deputies. Stag began leading us into the complex on Glen Vista Way and Fanita Drive, then southwest through the complex. Stag lead us to the corner of Glen Oaks Way and Glen Vista Way. At the intersection he alerted at a fence between two houses at (b) Glen Oaks Way and (b) Glen Oaks Way. I could see there was fresh movement and scuffing in the mulch on the ground at the fence line leading into the backyard of (b) Glen Oaks Way. After Deputies made contact with the home owners for (b) and (b) Glen Oaks Way, we cleared the back yards with negative results. We continued east around Glen Oaks Way and cleared four other yards on the north side of Glen Oaks Way.

The intersection at Glen Vista Way and Glen Oaks Way is where Deputy Joslin lost sight of Jauregui. After clearing the houses on the north side of Glen Oaks Way, we began to clear the houses on south side of Glen Oaks Way. The resident at (b)(5)(B) approached us to advise he had heard some noises coming from the back of his house about 20 minutes earlier and smelled the odor of fresh skunk. He requested we check his backyard and inside of his hot tub.

We cleared the yard for Jauregui with negative results. While clearing the yard, A.S.T.R.E.A. asked for the radio air and broadcasted they observed Jauregui hiding in the field directly behind our location. They advised Jauregui was hiding in some brush and they could not see his hands or what he was doing on the ground.

Not knowing the exact location of Jauregui, I hopped on top of the hot tub cover to get a better look inside the field. I still could not see where the suspect was hiding. Due to the fact Jauregui was hiding and he could have been waiting for us to come over the wall to ambush us, I felt it was safer to send Stag to clear the field prior to any deputies. I called for Stag to hop up onto the hot tub cover and over the wall. I sent him into the field to search for Jauregui. Stag jumped over the wall and into the field. As Stag landed on the ground he turned to the left and made contact with the Jauregui who was hiding against the wall directly behind and below us. Stag bit Jaregui on his right lower calf. I told Jauregui to put his hands out where I could see them and to roll over on his stomach, and not to move. I jumped down the wall, followed by the other deputies. Once on the ground, I grabbed hold of Stag. I told Jauregui to place his hands behind his back and not to move. Deputies were able to secure Jauregui in handcuffs. I physically removed Stag from the bite on Jauregui's right lower calf.

I requested Paramedics respond to the corner of Prospect Avenue and Fanita Drive to meet us at the access the gate to the field. This was going to be the easiest access to get Jauregui out of the field. I walked over to the gate and exited the field. I returned Stag to the patrol car and drove around to the corner of Prospect Avenue and Fanita Drive. As I arrived, the Santee Fire Department was already treating Jauregui's injuries. Jauregui stated he was sprayed by a skunk several times directly in the face and body. I requested Sheriff's Dispatch to advise the Canine Unit Sergeant of the contact and have him call me.

At 2008 hours, Jauregui was transported to Sharp Memorial Hospital for his injuries. While at Sharp Memorial Hospital Jauregui was treated by Dr. (b) for his injuries. Jauregui sustained one laceration, 4 punctures and multiple scratches to his right calf. Jauregui sustained several scratches to his left leg from jumping over brick walls. Jauregui received (9) sutures for his injuries. Jauregui was admitted to Sharp Memorial Hospital for a round of anti-biotics, to help prevent any infection. I photographed Jauregui's injuries and later placed these photographs onto a compact disc.

Sgt. McConaughey arrived at Sharp Memorial to interview Jauregui reference the canine deployment. At about 2310 hours, I was relieved from the hospital by Sheriff's Detentions Deputy Mercado, who took custody of Jauregui. Once I was relieved I had no further contact with Jauregui.

On 5/16/17 Sgt. McConaughey provided me with the audio recording from his interview. I placed this recording and the photographs of Jauregui's injuries onto a digital disc and placed them into evidence at the Rancho San Diego Station.

INJURIES:

Jauregui sustained one laceration, 4 punctures and various scratches to his right calf. Jauregui received (9) sutures for these injuries. Jauregui sustained several scratches to his left leg from going over brick walls as well.

REPORT NARRATIVE

ORIGIN:

On 5-12-17, at about 1841 hours, I responded to cover on a traffic stop on Fanita Dr. just south of the westbound State Route 52 on ramp in Santee (CAD# E4148678).

DEPUTY'S OBSERVATIONS AND ACTIONS:

At about 1845 hours, I arrived on scene and observed Deputy Joslin #2001 standing at the driver side door of a vehicle, (CA (b)(5)(B)) occupied by two individuals. I approached the vehicle and positioned myself near the front passenger side door while Dep. Joslin spoke with the driver, Erik Jauregui ((b)(5)(A)) and the passenger ((b)(5)(B)) ((b)(5)(A)). I remained at the vehicle while Dep. Joslin conducted a records check through Sheriff's Dispatch of the two occupants at his patrol vehicle.

The records check revealed that (b)(5)(B) was on probation with a valid 4th Waiver. Dep. Joslin returned to Jauregui's vehicle and joined me on the passenger side. He advised Jauregui that he was going to conduct a search of the vehicle due to (b)(5)(B) 4th Waiver status. Jauregui immediately exited the vehicle and ran northwest across Fanita Dr. into a residential area. Dep. Joslin pursued Jauregui on foot while I remained with (b)(5)(B) at the vehicle.

I asked (b)(5)(B) if she knew why Jauregui was running and if there was anything illegal in the vehicle. (b)(5)(B) told me she did not know why Jauregui was running and was unaware of any illegal items in the vehicle. She told me Jauregui was recently released from prison, but he was not on probation. She also told me Jauregui was a "two striker." I had (b)(5)(B) exit the vehicle and I secured her in the back of Dep. Joslin's patrol vehicle.

I searched the front passenger area of the vehicle and did not locate any illegal items in the immediate area. As I looked behind the passenger seat on the floor of the backseat area, I located a small nylon bag which was unzipped and open. I looked in the bag and located a loaded Sig Sauer .40 handgun with an extra magazine in the bag's pocket.

I notified dispatch of my findings and additional units were dispatched to search for Jauregui. After Jauregui was located, about an hour later, I conducted a full search of the vehicle. In the vehicle I located a small scale that contained a white crystal residue tucked between the passenger side seat and the center console. I located another scale in compartment on the inside of the driver side door. I then searched behind the driver seat and located on the floor of the back passenger seat, a clear plastic box with black snaps. I opened the box and located a plastic baggie that contained a large amount of a crystal substance. Based on my training and experience, I recognized the substance to be methamphetamine.

Dep. Joslin again joined me at the vehicle and we removed the loaded firearm which was located behind the passenger side seat. We observed that the gun contained a magazine that was loaded with ten .40 caliber bullets. I documented all the items that I located in the vehicle with photos. Dep. Joslin took possession of the two scales, the methamphetamine and the firearm and transported them to the Santee Station.

I remained with the vehicle until USA Towing arrived on scene and took possession of the vehicle. I contacted (b)(5)(B) (b)(5)(B) at Sheriff's Records and entered the vehicle into the system as a stored vehicle.

I then concluded my involvement in this case.

SERVICE REQUESTED: LATENT PRINT DEVELOPMENT

ITEM #	EVIDENCE SUBMITTED	RESULTS:	COMMENTS
		PRINTS DEVELOPED (Yes or No)	
2	One black "Sig Sauer" SP2022 handgun.	No	Derivative item #2.01- One DNA swab kit containing one swab from the textured areas of the handgun prior to latent print development. One DNA swab from the entire surface of the handgun after super glue fume and powder.
3	Two "Sigpro" magazines.	No	Derivative item #3.01- One DNA swab kit containing one swab from the entire surface of the magazines after super glue fume and powder.
4	Fifteen "Federal .40 S&W" cartridges.	No	Derivative item #4.01- One DNA swab kit containing one swab from the entire surface of the cartridges after super glue fume and powder.

I forwarded a request to the Forensic Biology Unit for derivative items #2.01, #3.01, and #4.01.

DISPOSITION OF EVIDENCE:

I transferred items #2 and #3 to Forensic Evidence Technician (b)(5)(B) for entry into the IBIS database. I sealed and submitted item #4 and all derivative evidence to the Sheriff's Property and Evidence Unit.

LABORATORY SERVICE REPORT

REQUESTED BY:	(b)(5)(B)	SDSD CASE #:	17125049
AGENCY/DIVISION:	SDSD – Santee ATF	AGENCY CASE #:	784090-17-0024
SUSPECT(S):	Erik Jauregui	INCIDENT TYPE:	11370 HS 29800A1 PC
VICTIM(S):	Not listed	INCIDENT DATE:	5/12/017

SERVICE REQUESTED:

Perform DNA analysis on the submitted items and compare results to the DNA profile previously obtained from Erik Jauregui (see SDSD case 09038167 report dated 9/2/2009 by (b)(5)(B)).

EVIDENCE SUBMITTED:

- 2.01. Two swabs from gun (Lab ID 1)
- 3.01. One swab from two SigPro magazines (Lab ID 2)
- 4.01. One swab from fifteen cartridges (Lab ID 3)

RESULTS:

Items 2.01, 3.01, and 4.01 were extracted for DNA analysis. An insufficient amount of human DNA was detected from item 4.01; therefore, no further analysis was performed on this item.

The extracted human DNA from items 2.01 and 3.01 was amplified using the PowerPlex Fusion 6C PCR amplification kit and analyzed on an Applied Biosystems Genetic Analyzer.

CONCLUSIONS:

Item 2.01 – Two swabs from gun (Lab ID 1)

Assumed number of contributors: 4 (estimated mixture ratio 73:15:9:2)

Extremely strong support for inclusion: Erik Jauregui (73%)

The mixture of DNA obtained from item 2.01 is at least 7.7×10^{17} times more likely if it originated from Erik Jauregui and three unknown contributors than if it originated from four unknown contributors.

Item 3.01 – One swab from two SigPro magazines (Lab ID 2)

Assumed number of contributors: 4 (estimated mixture ratio 84:8:4:4)

Extremely strong support for inclusion: Erik Jauregui (84%)

**SAN DIEGO COUNTY SHERIFF'S DEPARTMENT
REGIONAL CRIME LABORATORY
LABORATORY SERVICE REPORT**
SDSD CASE# - 17125049 AGENCY CASE# - 7840909-17-0024
(CONTINUED)

The mixture of DNA obtained from item 3.01 is at least 9.1×10^{17} times more likely if it originated from Erik Jauregui and three unknown contributors than if it originated from four unknown contributors.

The evidence and reference samples were analyzed with different amplification kits and the current report is a comparison of the DNA markers common to both kits (excluding amelogenin).

All calculations are based on four major U.S. population groups. In each case, the lowest likelihood ratio calculated for any of the populations is reported. Each unknown contributor is assumed to be unrelated to the named contributor(s).

DISPOSITION OF EVIDENCE:

The submitted evidence was returned to the SDSD property and evidence unit.

**SAN DIEGO COUNTY SHERIFF'S DEPARTMENT
MEMORANDUM**

DATE: 04/24/17

TO: Greg Carpenter, Lieutenant
FROM: James McConaughey, Sergeant
SUBJECT: Review of CN# 17118359

CONFIDENTIAL:

On 05/12/17, at 1854 hours, Deputy Justice and his canine partner "Stag" received a radio call to cover a Santee Deputy on a traffic stop at Fanita/westbound 52. The driver of the vehicle, identified as Erik Jauregui, fled on foot leaving his girlfriend in the passenger seat. A perimeter was set and the girlfriend identified Jauregui as a two strike felon. Deputies located a loaded handgun as well as a large quantity of methamphetamine located inside the vehicle. Deputy Justice started a track from a pair of sunglasses Jauregui had dropped. ASTREA responded and assisted with making several canine announcements over the Public Address (PA) system. ASTREA located a heat source behind(b)(5)(A) Glen Oaks Way. Deputy Justice deployed Stag over the wall. Stag located Jauregui hiding in a skunk den and bit him on his right calf. Jauregui was taken into custody without further incident.

Jauregui was transported to Sharp Memorial Hospital for his injuries and for being sprayed by a skunk. Jauregui sustained lacerations requiring sutures, raking, and punctures to his right leg and calf. Jauregui also sustained scrapes to his left leg determined to be unrelated to the canine contact. Deputy Justice and Stag did not sustain any injury. Jauregui was admitted into the hospital for observation because of his antibiotics. Once cleared, Jauregui will be booked into SDCJ for weapons charges, possession of controlled substance for sales, and delaying a Peace Officer.

REVIEW:

On 05/12/17, at about 2000 hours, I was notified by the Sheriff's Communications Center of a canine contact in Santee. I contacted Deputy Justice and was told Jauregui would be transported to Sharp Memorial Hospital located at 7901 Frost Street in San Diego.

I met with Deputy Justice at the hospital and completed this investigation. I made all appropriate notifications to Emergency Services Lieutenant Carpenter as well as the on-call Divisional of Inspectional Services Sergeant Perkins.

I contacted Jauregui in the exam room and identified myself. Deputy Justice took digital photos of Jauregui's injuries. I obtained a recorded interview with Jauregui regarding the incident. The photographs of Jauregui and the audio recording were later copied to a CD-R disc and attached to this investigation.

CONCLUSION:

Deputy Justice's decision to use his canine was based on the following factors:

Jauregui had fled from a vehicle that contained a large amount of methamphetamine and a loaded firearm.

_____ (b)(5)(C) _____

Jauregui was wanted for several felonies including weapon and drug related charges.

Jauregui refused to obey several lawful canine commands to surrender as he fled from deputies and hid in a field.

Jauregui displayed erratic behavior that suggested a violent confrontation was likely when contacted by deputies.

The use of the canine **was within policy** and deployed in an appropriate manner.

INJURIES:

Jauregui sustained lacerations requiring sutures, raking, and punctures to his right leg and calf. Jauregui also sustained scrapes to his left leg unrelated to the canine contact.

Investigation:

On 05/12/17, at 1854 hours, Deputy Justice and his canine partner "Stag" received a radio call to cover a Santee Deputy on a traffic stop at Fanita/WB 52. The driver of the vehicle, identified as Erik Jauregui, fled on foot leaving his girlfriend in the passenger seat. A perimeter was set and the girlfriend identified Jauregui as a two strike felon. Deputies located a loaded handgun as well as a large quantity of methamphetamine located inside the vehicle. Deputy Justice started a track from a pair of sunglasses Jauregui had dropped. Deputy Justice deployed Stag over the wall. Stag located Jauregui hiding in a skunk den and bit him on his right calf. Jauregui was taken into custody without further incident.

Jauregui was transported to Sharp Memorial Hospital for his injuries and for being sprayed by a skunk. Jauregui sustained lacerations requiring sutures, raking, and punctures to his right leg and calf. Jauregui also sustained scrapes to his left leg determined to be unrelated to the canine contact. Deputy Justice and Stag did not sustain any injury. Jauregui was admitted into the hospital for observation because of his anti-biotics. Once cleared, Jauregui will be booked into SDCJ for weapons charges, possession of controlled substance for sales, and delaying a Peace Officer.

Statement of Erik Jauregui:

Jauregui told me he understood I was recording the interview.

I asked Jauregui if he suffered from any mental illness. He replied, "No."

I asked Jauregui if there were any problems with his eyes or ears. He replied, "No."

I asked Jauregui if he was taking any medications or street drugs. Jauregui replied, "Other than what I have had here, no."

I asked Jauregui if he heard the order to send the dog or warning to stop by the deputy. Jauregui replied, "Yeah, well I heard it over the police helicopter." Jauregui stated when he heard the warning he was already laying down.

I asked Jauregui why he didn't comply with the deputy's orders. Jauregui stated he was already laying down and stated "You gotta try."

I asked Jauregui how long the dog was biting him. Jauregui stated the dog bit him about three separate times for about 45 to 90 seconds total.

Jauregui stated he did not know how the dog was taken off of him. Jauregui stated he was laying face down when the dog bit him and he heard the deputies giving him orders not to move.

I asked Jauregui if there was anything else the reader of this report should know that I did not already ask him. Jauregui replied, "My dumb ass should not have done that."

I concluded my interview of Jauregui.
